**GREAT JOB MARILYN!**

Craig reported on the Auction held over Thanksgiving Weekend at Main Street Photography and Events, the Auction did make the club some money. Thank you Main Street Photography and Events for the use of your studio, and thank you everyone that submitted entries for the Auction. A big thanks you to those of you that Volunteered your time at the Auction!

If anyone has any ideas for fund raisers please contact Ron Enoch.

A local photographer has donated some Camera Equipment to the club to do with what we want, some club members did go thru the equipment to see if they wanted anything. The rest of the Equipment will be put on Ebay when time permits. The money will go into the Club’s account.

**CONGRATULATIONS!**

Yamhill Valley Camera Club is in the lead in our Division!!!!!!!!!!!!

Debbie had requested the Club Members take a survey in regards to Clinic Night. Do we want to keep Clinic Night?  
Would you be willing to be a presenter at Clinic Night?  
Would you travel to Carlton for Clinic Night?  
Thank you Club Members we had an excellent response to the survey.

Some comments were made on the survey.

Let's keep Clinic Night going.

We need a Steady place to meet.

More structure would help.

Photoshop presenters remember that not everyone has CS2, and that some of us don't have any idea where to even start in Photoshop.

Again, Thank you everyone for your Input!

Shannon has requested that Members please send her article suggestions for the Newsletter.

Krista had requested when judging our club competition to please look at the laptop for a clearer/sharper photo.

It was brought up when you are entering Magazine Contest, read all the fine print. The magazine may keep all rights to your photograph, and you don't want that to happen.

We had 34 entries + 3 slides for competition, all of the photos were very nice.

Sunny Japanese maple	24 Points	Stuart
Staircase	23 Points	Marta
Freedom	22 Points	Marilyn
Maui Surfer	22 Points	Julie
Bug on Flower	22 Points	Debbie

Congratulations!

Gene Davis gave us Beautiful Presentation! It was called "Reflections of Norway".

Every Photo had a reflection in it, the photos were breath taking, and the music selections were wonderful. Gene Thank you very much, we all really enjoy seeing your work.

Happy Holidays!!
