President Craig started the meeting; he went right to our Treasurer.

We had received \$60.00 in dues.

Gary wrote a check for \$50.00 for the rent on our meeting room.

We had collected 51¢ interest from the Bank.

Shannon Trunde works at Hillside Assisted Living and the Assisted Activity Director has asked if anyone would be interested in putting prints on the walls like a Gallery setting, this would be associated with Hillside's Spring Fling. If you are interested please contact Shannon.

Craig did mention that we have not had a lot of hits on our message board site. You need to go to the Google Group to get to our message board. If you need help please feel free to contact Craig.

Field Trip Committee ~ Krista is looking into it, she needs to contact Debbie.

Krista will also be doing a very fun presentation at Clinic Night, which will be March 27th. At Main Street Photography and Events. Everybody please bring your Camera it is going to be so much fun!!!

Sandi was saying that we would be looking for a new vendor to produce our slides next year. We would really like to find someplace in the Portland / Salem area.

Stuart ~ 4C's Convention.

So far YVCC is the only club that has stepped up to take care of one of the events.

Pres. Craig had made a motion that we give this committee a \$125.00 budget for expenses. Julie Carl seconded the motion, the club voted and the motion was passed.

Ron talked about the new 2008 Calendar, it would be a great idea to start collecting Photos for the 2008 Calendar. We would like to have the Calendar ready to go come September, we could then start selling it earlier in the Season. Starting Next Meeting April 10th, please bring prints that you would like to see in the Calendar. We will be looking for prints that are 8 x 12, Horizontal, Landscape, and Color.

\$90.00 for Picture Window 4.0 vs \$600.00 Photoshop.

He was showing us that there are other options to use if you want to optimize your Photos.

This program is easy to use and there are quite a few tools available to you.

Thank you Tom, we did learn a few things from your Presentation.

Craig also had some other Imaging Programs that you can find on the Web that are free!

Some are easy to use and some are a little harder.
