

Yamhill Valley Camera Club Meeting 5/7/07
We had 22 people in attendance

President Craig Pifer called the Meeting to order at 6:50pm.

Craig told us that the 4C's Newsletter is available on their website.
Update of the Convention Schedule is located online also some deadlines for Competition are there, when you get a spare moment take a look at what 4C's has on their site.

MAY IS NATIONAL PHOTO MONTH!!!!
Shutterbug has some specials happening this month check them out.

Craig found that Photography is very popular on the web, many other hobby sites have fewer sites than Photography, such as Skateboarding, Knitting, Scrapbooking, Stamp Collecting, ECT. Craig, that was very interesting.

Sandi Colvin reported that April's results were Award of Merit went to Ed Eisenberger for "Weaver's Lane" Congratulations!!

The club has 730 POINTS. We are in 3rd place overall (that is 27 clubs) we have some wonderful Photographers in our group!!!!

No Treasury report this month. Gary is out of town.

Krista – Recent Field Trips
7 Bridges the Lighting was great. Krista will put the map on the Website so we can all check out the bridges when you get time.
Krista did an Awesome job with planning this field trip. Thank you Krista!!

Shannon is planning a Field Trip to Oswald State Park, sometime this Month she will let us know.

Ron is accepting Print Form or a CD of photos being submitted for the Calendar. All photos must have In Felt Tip marker ~ your Name, Phone #, Title of Photo. Photos must be in Oregon, and of different Seasons.

This was our month to judge for the 4Cs competition. We had approximately 40 images to judge.

Craig showed us the show of "Travels to the Edge with Art Wolfe".
You can watch this show on OPB, Saturday Evening @ 7:30 or Sunday Morning @ 9:30
Thank you Craig.

Critique Night is May 22, 2007 @ 7:00PM
Main Street Photography and Events in Carlton. Bring your Photos!!

Next Club Meeting will be June 12th @ 6:45PM
McMinnville Community Center.
Please bring 2 Photos each for competition and something for show and tell.
