Attendance: 23

Meeting was opened by new President Ed Eisenberger at 6:50pm.

4C's Print Competition: Tonight was the last night to bring prints for the 4C's convention in October. Club needed to enter at least 5 in order to compete. Prints do count for club points.

Introductions: Each member was introduced including brand new member Kym Herrmann. Welcome Kym!

Oregon State Fair Update: Debbie Voorhees had all of her print submissions juried and accepted into the competition which is very rare. She also took 1st place! Club member Hannah Early also received an Honorable Mention!

Calendar Project: The meeting tonight was the last club meeting to submit prints for calendar. Ron asked for volunteers to help judge the images and choose which will be added to calendar.

Grant Update: Thank you to Debbie for all of her hard work in putting this application together. The application is due to the Yamhill Valley Cultural Coalition by September 14th.

Treasury Report: August Balance \$1,892.40

4C's Convention Update: Yamhill Camera Club is in charge of fieldtrips. Stuart asked for a minimum of 12 volunteers to help, it would be nice to have at least 9 from our club he is also going to ask for volunteers from the Forest Grove Club. Schedule of fieldtrips was handed out please email [Marta](#) or [Stuart](#) if you would like a copy of the schedule.

2007-2008 Club Meetings: Please start thinking about any presentations you would like to hear or to give for the upcoming year. We have a lot of experts in the club please feel free to share what you know.

Slide Competition: Our Slide Chair Sandy Colvin suggested to we move to the EID – “Electronic Imaging Division” and prints instead of submitting slides each month. The club voted on and passed.

Cultural Liason: The idea was put forth to create a Cultural Liason position within the club to interface with the community at local events. This may be a benefit for the grant proposal. At this time we will not but for future development ideas we might need/want to consider.

See you all in October!
