Scott then introduced the new officers:

Scott then talked about the different committees that we have at this time, and he did ask that if anyone is interested in joining please let Scott know or talk with the Committee Chairperson.

The following Committees are opened to anyone that would like to help.

Field Trip committee – Scott & Julie - we need members to step up, you all have great ideas where you would like to go on Field Trips, where do you like to shoot, the field trip committee is not hard at all please join us.

Fund Raising Committee – Ron Enoch did an excellent job with last year's Fund Raising. I know that we have some great ideas out there. We are looking for a Chairman for this committee.

Fair committee- This is a new committee. Julie, MarDee, Judi, and Debbie have signed up at this time; if you would like to join us please contact Julie.

Scott, also inform us that he will be putting out the **Newsletter** again. Scott will definitely need articles submitted by club members, or if you have any questions in regards to Photography or your equipment send it to the editor and he will find an answer or he will research it.

Larry Kurtz Invited everyone to join us for clinic night to be held at his home the 4th Tuesday of the month at 7:00pm. We will be doing some critiquing on photos that the members bring in, and we will also be learning new things about Photography and how to use our equipment. At this month's Clinic Night, Glenn Zander will be doing a presentation on an image ~ if the object was in color and the rest of the photo is black and white. Glenn wants to show people how to do that kind of thing easily with Photo Elements/Photoshop.

Thank you Larry and Diane for letting us use your home!!!!

Stuart let us know that the Scholarship money is going to be transferred from our account and moved to another club.

The 4C's big gathering will be held the weekend of September 26th. In Seattle.

Stuart had also asked the club members if anyone would be interested in replacing him as the Club's 4C's Rep. There are 3-4 meetings a year, the meetings can happen anywhere in Oregon. Please if anyone is interested please feel free to contact Stuart.

Scott has come up with two different contests for the Club Members to get involved with.

First Contest -- Submit your Favorite Pictures that you have taken around Yamhill County!!!! We want to change the look of the Web site; we want to put a new Panoramic Photo on the title Page of our Website. (At this time it is the State Capital). We want the Photos to reflect Yamhill County. We will also use some Photo entries thru out the Web Site.

Second Contest -- We would love for our Club members to submit a new Logo for our club. The current Logo is outdated and we would like to create a new one. Please submit any ideas you make have.

We have a New Web Master it is Marta Goertzen, this is one very busy lady!!!! She has decided that she would love to do our Web site. Marta will be updating the Web site, she is going to make it more user friendly, and she has some great ideas. Thank you Marta!!

We had our first Snack/Break everyone got a chance to talk with fellow club members; people got ideas about photography and learned about different photo equipment, we think this will be a great social time. Very big **THANK YOU** Debbie Voorhees for bringing in this month's snacks they were great!!!!.

After the break Scott gave a presentation on the new EID Sizing and Title guidelines for the 4C's Competition. You will be able to find the guidelines on the club's Web Site when it is up and running. If you need more help with this please feel free to contact Scott Carl, Larry Kurtz, or Tom Cattrell, they will be happy to help you.

Our meeting did run a little late this month we had so much to cover. The competition went really quick, we did get a little frazzled at the end but we did get thru it.
