4241.50 End of March balance

4193.21 April 1st Balance

Fairground – Julie Carl

County fair will store our displays. Next step is to create displays, Daniel Hurst is looking into making them.

Scholarship Fund - Stuart O'Hare

Talked with 4C's about scholarship. Would like to offer scholarship to any one member of 4C's, or multiple members of 4C's. Would we draw up a form for scholarship/merit and take to next 4C's meeting and present. Application would be sent to 4c's clubs and each club would nominate a nominee. Does not have to be a club member, maybe a needy student but must be photographically related. Need 1-2 people to help with proofreading and creating award. Could be an art/photography class in a local school or event that needs to be funded?

-Marta & Debbie will help Stuart put the program together

Will this be a yearly thing? Possibly, next conference will be in Tacoma. NWCCC will not be charging much for fieldtrips, HP will be paying for speakers, building will be free from school. There probably will not be much left over to fund the award for next year. Could we have our own fundraiser to donate to the funds to fund the scholarship for 2009?

Fundraiser of a photo guided tour from the community advertise the proceeds got to a scholarship/award of merit fund for the Yamhill CC or 4C's. There would most likely be many local community organizations who could get involved.

Advertise with the 4C's clubs – and create our own fieldtrip fundraisers. We would need

Should we have waiver's signed each year?

Photo Opportunity - Guided photo tour: Newberg Care Facility,

Date: **May 3rd, 10AM**

Contact: Contact Ron Enoch for more information.

Photograph residents for Mother's Day. Great way to get more experience with portrait photography.

Photo Opportunity – Tualatin Natural Wildlife Refuge

Contact: Scott & Julie Carl scott@mainstreetphoto.com or Julie_carl@yahoo.com

They have blinds that you can reserve for up to 5 hours at a time. Maybe we could take a group up from the club and use it a fieldtrip. If you are interested contact Scott @ and they will coordinate a trip.
