4C's Report- Stuart told us that we are planning the convention that will be held at Mt. Hood Community College October 9, 10, & 11th. YVCC will be working with the Forest Grove Camera Club on planning Field Trips.

We are thinking about scaling down the big Banquet that is held on Saturday Night of the Convention, we would like to do Beer and Pizza (the club members thought this was a great idea). Please anyone interested in helping with the Convention, please get a hold of Stuart.

Field Trip Report – Scott let the club know that we will be going to Summer Lake in Tigard on February 28th. Please look for the announcement coming out soon. We are also planning a Field Trip to the Taulatin Bird Reserve, hopefully the end of March.

Fair Committee Report- Julie let the club members know that the Fair Dates this year are July 29,30 and August 1, 2009. We have two for sure Judges, and one that we are going to work on if he does not become a member of the club. Everything else is going good in the planning.

Fund Raiser Report- Larry has asked us to **PLEASE** start bringing our Horizontal Photos for the Club Calendar. We would like to have the Calendar ready to go by the time of the Fair. We are hoping to be able to sell the Calendars at the Fair.

Julie has asked the Cornerstone Coffee Place if we as a club can display our favorite Photos in the Month of July, they would hang in there the full month of July!! Julie will let us know as soon as she finds out the Month for sure and all the specifics.
